CONFIDENTIALITY NOTICE & REGULATORY DISCLAIMER

Made4Capital Limited, trading as “Made4Trading” (hereafter the “Company”), is a Company duly incorporated and registered under the laws of the Republic of Mauritius bearing company number 234336GBC. The Company holds a license issued by the Financial Services Commission of Mauritius, operating as an Investment Dealer (Full-Service Dealer, excluding Underwriting) in accordance with Section 29 of the Securities Act 2005, Rule 4 of the Securities (Licensing) Rules 2007 and the Financial Services (Consolidated Licensing and Fees) Rules 2008. The registered office of the Company is located Level 1, IconEbene 1, Reduit Road, Cybercity, Ebene. 72201, Mauritius.

This electronic communication, including any attachments, is confidential and intended solely for the use of the individual or entity to whom it is addressed. The Company provides execution-only services in relation to over-the-counter (“OTC”) derivatives and Contracts for Difference (“CFDs”) across various asset classes, including foreign exchange, commodities, indices, equities, cryptocurrencies, and other financial instruments.

Trading leveraged financial products such as CFDs involves a high level of risk and may not be suitable for all investors. CFDs are complex instruments and carry a significant risk of rapid financial loss due to leverage. You may lose all or more than your initial investment under certain market conditions. Past performance is not indicative of future results. Before engaging in any trading activity, recipients should carefully consider their investment objectives, financial situation, level of experience, and risk appetite, and should seek independent financial, legal, tax, or professional advice where appropriate.

While stop-loss orders may assist in managing risk and limiting potential losses, derivative markets can be highly volatile and market conditions may change rapidly. Price fluctuations in underlying instruments may be sudden and unpredictable, and in certain circumstances orders may not be executed at the requested price or may be impossible to execute due to market gaps, liquidity shortages, or extreme volatility.

Clients are required to maintain sufficient margin funds with the Company before opening and maintaining positions. Margin requirements vary depending on the relevant instrument, leverage level, market conditions, and position size. The Company reserves the right to amend margin requirements at any time without prior notice. Where a Client fails to maintain required margin levels, the Company reserves the right to close positions automatically, reject or refuse new orders, restrict trading activity, or liquidate positions without further notice. The Client remains fully responsible for any resulting losses or deficits.
